"As a con artist, Fiona dresses to project confidence. Her outfit is tougher in contrast to Rhys', reflecting her grittier lifestyle. She loves flair, accenting with a hat. Her favourite colour is red.

-Molly Maloney,
Lead Concept Artist
Tales from the Borderlands

Equipment

Derringer

Con-woman with a heart of gold, Fiona has been filching wallets and fooling marks since she lost her first baby tooth. When she tries to pull a job on Hyperion she gets pulled into an adventure where she'll need more than talk to survive.

- Eric Stirpe, Writer, Tales from the Borderlands
